SUBJECT :—

I have the honour to state that for some time past, the question of locating the District Board Office in a suitable - building has been under consideration. One of the proposals - was to locate it in the Railway Office Building. This had been almost agreed when the question of payment of rent was proposed by the Superintending Engineer the matter came up before t h e Board in November 1934. The resolution passed by the District Board is herewith enclosed for the information of Government. I have requested the Dewan Saheb to grant a suitable site free o f cost anywhere near the Public Office building and I have addressed the Government Archetect to kindly oblige me by forwarding a - suitable design.

2. In this connection I wish to bring to the notice of - Government that the accommodation made available to the District Board Office is very inadequate and illventilated. This h a s
